

# Milo Morand's Eagle Project

Hi my name is Milo Morand and I'm doing my Boy Scout Eagle Project to benefit Children's Hospital of Orange County (CHOC) and the American Red Cross. Every month CHOC helps so many sick kids – they do 500 blood transfusions each month and they only get half – 250 pints of blood donated each month! CHOC is a very special hospital – with many caring doctors, nurses and staff who I've got to know very well over the past 15 years I've been going there. I was diagnosed with Cancer when I was very young and CHOC has always been there for me. I've needed many blood transfusions over the years... Now it's my turn to help by arranging for a blood drive to benefit CHOC and the American Red Cross, and to raise community awareness about CHOC's ongoing need for blood (and if you are out of the Orange County area, go to any American Red Cross donation site.) If you can take a little time out of your busy day and donate a pint of blood – you'll be giving much more than you can imagine... a pint of hope, a pint of love... a little of your time for a great cause – and you'll be helping me become an Eagle Scout!

**My goal is to get 500 people to donate blood – can you help?**
